# INFORMATION / TRANSPORTATION: DRIVING DIRECTIONS TO NEW YORK CITY

## TO DOWNTOWN, NYC

1. Make a left turn out of the West Point Motel parking lot onto Route 218. This will take you to 9W South without any turns.
2. Without any turns on 9W South will take you to the beginning of the Palisades Parkway South. Get on the Palisades; remain on parkway until it ends.
3. At the end of the Palisades, bear right for the George Washington Bridge. This exit puts you on the upper level of the bridge. After you pay the toll, the entrance ramp will put you in the right lane. Ideally you should move over one lane to the left. Even though you will bear right once you cross the bridge for the Henry Hudson Parkway (West Side Drive), you want to be in the left lane of the exit ramp and this one lane move will do that for you.
4. Be sure to head Downtown. The merge left will do this. There are signs.
5. Take Downtown to West 46<sup>th</sup> Street. Make a left onto West 46<sup>th</sup> Street and this will take you to 9<sup>th</sup> and 8<sup>th</sup> Avenues. This is Restaurant Row and you will find several outdoor parking lots. There is an indoor garage on West 44<sup>th</sup> Street. Between 8<sup>th</sup> Avenue and Broadway is the Minskoff Theatre Building. This is midtown. Be sure to find out if your garage is open 24 hours. Get the closing time if it is not.

## RETURN DIRECTIONS TO WEST POINT MOTEL FROM PARKING LOT ON WEST 46<sup>th</sup> STREET

1. Make a left out of the parking lot. Take to first stop light (8<sup>th</sup> Avenue) and make a left.
2. As you do so, get into the left lane, for at the 1<sup>st</sup> traffic light on 8<sup>th</sup> Avenue you will make a left turn, this is 47<sup>th</sup> Street.
3. Take 47<sup>th</sup> Street to 11<sup>th</sup> Avenue and make a right on 11<sup>th</sup> Avenue.
4. Take to West 72<sup>nd</sup> Street.
5. Make a left onto W 72 and go straight. This will take you to the entrance for the West Side Highway North.
6. Best to be in the center lane out of the West Side Drive. This will set you up in the position you want to be in when it comes time for the George Washington Bridge. As you exit you will be in the left lane of the ramp which is what you want for you will bear left for the *Upper* level of the George Washington Bridge. It is *much easier* to use the upper rather than the lower level.
7. The ramp to the bridge will put you in the right lane of the span which is what you want as this will become the exit ramp for the Palisades Parkway North.
8. Take the Palisades until it ends at the Bear Mountain circle. Go around the circle and get onto Route 9W North.
9. Take the exit for Rt218 Highland Falls (just past the car wash).
10. The West Point Motel is up the road, 3<sup>rd</sup> motel, 1<sup>st</sup> on the right.
